P. Power, letter carrier, No. 4227 Garfield avenue, says: Intermittent pain in the back for two or three years considerably annoyed me, as some of the attacks were more virulent than others, particularly after contracting a slight cold. Colds or extra work either brought on an attack, or aggravated an existing one, and when suffering I went to the Wolff Wilson Drug Co. for Doan's Kidney Pills. Not only did my back ache at the time, but discoloration of the kidney secretions clearly proved that my kidneys were at fault. A few doses helped, and a continuance of the treatment positively stopped the last attack."
